Creating a peaceful space to honor Veterans in the City of Fenton has been a priority for many years. Ground broke in Freedom Park last month as we began to install the tributary monuments, dedicated bricks, landscaping, and a specially designed statue. A dedication date of November 11th, 2023 was chosen before construction began. The Fenton Veteran's Memorial Committee is committed to ensuring the park is accessible to all and the dedication ceremony is held on a day that holds special meaning to our Veterans and Service Members.

To accommodate as many people as possible for the ceremony, the date of the Fenton Veteran's Memorial at Freedom Park Dedication will be moved to Memorial Day, May 27th, 2024. Information about the event as well as construction progress will be posted regularly through social media and our website. Project donors can expect an updated and personalized invitation to the public ceremony by mail at a later date. Thank you for your patience as we navigate a regularly changing construction schedule and Michigan's weather to bring this highly anticipated memorial to our community. Questions can be directed to Tessa Stickel, Communications Coordinator for the City of Fenton at (810) 629-2261.
